CARE INSTRUCTIONS

Wash: temperature up to 60°C
Drying: temperature up to 90°C

Before first use, wash your wash+dry Design floormat separately at 60°C and with mild detergent. In doing so the fibers are activated, the fabric is enabled and transport-related folds and creases are smooth again.

WHERE TO USE?

The wash+dry Design floormats are extremely versatile - whether in the kitchen, the living room, the hall, in front of or behind the entrance door or in the car boot, they ensure perfect hygiene and fashionable design.
